"Sally is a remarkable presenter. She easily creates a stimulating atmosphere engaging the audience by her entertaining and motivating approach. My staff remembered so much of what Sally delivered to them which tells me they were authentically engaged."

Pina Sciarrone, State Manager Tower Financial Services

Sally Higgins, CEO and founder of Accelerate Now is an engaging, dynamic international speaker. Accelerate Now created the highly effective Ready Steady Go program that has brought positive results to people seeking more from their careers and other areas of life.

Accelerate Now's SuiteTORQUE training programs are renowned for motivating and inspiring participants to achieve their peak potential and maximise results.

Whether her audience is a crowd of top achievers , a stadium of conference attendees or the local network of small businesses, she delights in opening the minds of others to the full extent of their possibilities.

Sally's ability to fully engage participants creates positive and lasting transformation. She demonstrates her belief in the ability of others and clearly communicates easy to use strategies for success. She is a truly inspiring speaker.
